Dear [Recipient Name]:

It is with hesitancy that I am submitting this resignation letter. Although my time with the company has been a great deal overall, nourishing & prolific. But for quite a time now I am becoming less contented with the work circumstances here. The inclination of the company & the team with which I am working has become extremely unfriendly to keep up occupying anyway. The innovative goals and the means of achieving them have made it more and more problematic to feel that I am relevant enough.

For that reason, it is with a great pang of guilt that I request you to agree to take this letter of resignation from my side.

Sincerely,
